

**Directions to the Clay Conference Center
for the Greening the School Conference
Saturday, November 10, 2012**

**Dexter and Southfield Schools
10 and 20 Newton Street
Brookline, Massachusetts 02445-7498**

**Breakfast snack & drinks and dessert at lunch will be provided
Bring your own sandwich**

From the West:

Take Route 2 or 90 east to Route 128. Take Route 128 South to Route 9. Follow Route 9 into Brookline. At the Brookline Reservoir turn south onto Lee Street, which merges with Clyde Street; continue to the end at the traffic lights. Turn left onto Newton Street and follow for about 1/4 mile to Boston/Brookline town line. Watch on the right for distinctive tan stucco buildings with red roofs. Take right onto St. Paul's Avenue, a private way, and proceed to the appropriate entrance.

From Boston:

Take the Jamaica way to Jamaica Pond; continue past Jamaica Pond to the rotary and take Pond Street on the right at the set of lights. Continue up Pond Street which becomes Newton Street after entering Brookline. The School's distinctive tan stucco buildings and red roofs are immediately on the left. Take a left onto St. Paul's Avenue, a private way, and proceed to the appropriate entrance. (Be aware there are two Pond Street in Brookline/Jamaica Plain - wait until you reach the rotary)

From the Southeast:

Follow the Arborway or Center Street rotary at the intersection of the Jamaica way. At the rotary head north toward Jamaica Pond for one block, get in the left lane and loop around as if heading south, and take your second left onto Pond Street. Continue up Pond Street which becomes Newton Street after entering Brookline. The School's distinctive tan stucco buildings and red roofs are immediately on the left. Take a left onto St. Paul's Avenue, a private way, and proceed to the appropriate entrance.

From the South:

From Interstate 95 (old 128 N) take the Route 1 exit east at Dedham. Follow Route 1 which becomes the VFW Parkway to the intersection of Independence Drive located at the Westbrook Village Shopping Plaza (Bertucci's and CVS) and Harvard Pilgrim Health Center on the left in West Roxbury. Turn onto Independence Drive at the set of lights and continue through the rotary at Putterham Circle onto Grove Street. Grove Street becomes Newton Street at the set of lights at the Exxon gas station. Continue straight on Newton Street and through the next set of lights where Clyde Street comes is on the left and Allandale Farm is on the right. Continue on Newton Street to where it becomes Pond Street at the Brookline/Boston town line. The School's distinctive tan stucco buildings and red roofs are immediately on the right. Take a right onto St. Paul's Avenue, a private way, and proceed to the appropriate entrance.
